

BEIGE WALK - Western Hills & Lakeside, approx. 7 km long, approx. 2,5 hours walk

Difficulty: **light**, a few paths are rocky, reasonable climbing and descending of most paths. Mind! The paths in points 8 and 9 have a lot of soil, grass and plants on it and are a little difficult to recognise. See extra signs on location!

You make this walk on your OWN responsibility. In no way are we responsible for any mistake, lost way, wrong information, injury or whatsoever. It's always better to walk with 2 or more persons together.

Before and while walking it is best to drink water, especially when the weather is warm, so remind yourself of taking enough with you as you start. The restaurant/terrace sells small and big bottles of water and has several (healthy) food items to take with you or eat when you return or before you leave.

Openinghours: daily from 11-18 h, only closed on Mondays (tel: 282 687 810 or mobile: 936 608 220)

READ the instructions carefully and if you find anything that's not correct or not clear, please inform us, so we can adjust it! Thank you for your cooperation and we wish you a nice WALK. ENJOY THE SCENERY, VIEWS & NATURE!

ROUTE DESCRIPTION ----- Please: do NOT throw away garbage or trash, keep Mother Nature clean!

1. Walk on the main road in front of the Parking of restaurant Hansel & Gretel and follow for \pm 850 meters.
2. Turn **RIGHT** into broad path and keep following this path downhill and then uphill again (see nr. 2 on map).
3. At T-junction on top of hill with trees turn **RIGHT** and keep following main path (see nr. 3 on map above).
4. Ignore the left hand & the right hand path at 2,1 km, keep following straight ahead (see nr. 4 map + sign on tree).
5. Look at map: at crossing (2,3 km) turn **RIGHT** into path downhill (see sign at location). After a while you will follow the waterside. Bend with the path to the left and keep following the lakeside, and later you bend off again until you come to the main road (3,2 km)(=number 6a on map).
6. Here you turn **LEFT** (watch out for cars!) and first path you turn **LEFT** again (3,3 km) (=number 6b on map).
7. Follow main path and you'll be on point 5 again. Keep following main path (bending to the right) and going uphill.
8. When you arrive at a path on your left hand side (3,7 km), here is where you go **RIGHT** (see 8a map & arrow on location) **MIND!** This path is not easy to recognise! Follow path uphill. On top of hill follow sign to **RIGHT** (=8b).
9. After \pm 30 meters on your lefthand find the **SIGN** pointing to the path going downhill. Look Out! It's not easy to discover and there are many plants on that path. You can see the old ruine downhill, that's where you are going.
10. Go around the old ruine (4,4 km) (10a) and after that turn **LEFT** onto main road (4,5 km) 10b (watch out for cars!)
11. Take the first real path to the **LEFT** (4,7 km), this is just before you would go underneath the electricity cables.
12. Follow bend to the right and at T-junction (4,9 km) (12) turn **LEFT** and follow main path uphill.
13. On top (5,2 km) the path bends to the left, follow and walk further on top of the hill.
14. The first real path on your **RIGHT** hand (5,6 km) is the same one you came on, so go **RIGHT** here and take the same way back. First going downhill, later going uphill until you reach the main road (6,1 km).
15. At T-junction (main road) turn **LEFT** (watch out for cars!)
16. Follow main road to parking and restaurant (6,9 km)
17. Walk up to the terrace and get yourself something to drink and to eat because..... **You Made It Back!**
