

## **ORANGE WALK to nature, dam and monument, approx. 2km long, aprox. 45 minute walk**

Difficulty: **light**, one path is a bit rocky, reasonable climbing and descending of some paths. \*MIND! The stairs mentioned in nr. 7 sometimes can be closed! If so, go around the iron fence (own risk) at the left hand side, take a few steps up and then turn right onto road to dam.

The path in points 8 and 9 can have grass and plants on it; be careful.

You make this walk on your OWN responsibility. In no way are we responsible for any mistake, lost way, wrong information, injury or whatsoever. It's always better to walk with 2 or more persons together. Before and while walking it is best to drink water, especially when it's warm weather, so remind yourself of taking enough with you as you start. (The restaurant/terrace sells small and big bottles of water and has several (healthy) food items to take with you or eat when you return or before you leave.

Openinghours: daily from 11-18 h, only closed on Mondays ( tel: 282 687 810 or mobile: 936 608 220 )

*READ the instructions carefully and if you find anything that's not correct or not clear, please inform us, so we can adjust it! Thank you for your cooperation and we wish you a nice WALK. ENJOY THE SCENERY, THE VIEWS & THE NATURE!* **Please: Do NOT throw away garbage or waste, keep Mother Nature clean!**
